

Programs for children, youth, and adults on the autism spectrum

Winter registration for most weekly programs opens on a first-come, first-served basis on **Sunday, December 1st at 6pm.**

Registration for family experiences and many youth & adult programs takes place on the 15th of each month. Subscribe to the [monthly newsletter](#) to stay up-to-date on all opportunities.

Families and individuals need to **create a free CAN account** in order to sign up for programs and family events. Create an account at canucksautism.ca/register.
Individuals ages 13+ do NOT need a formal autism diagnosis to register. [Learn more.](#)

Participants will be enrolled in a **maximum of 2 weekly programs** per season. There is no limit to the number of program waitlists you can sign up for.

Payment is due upon registration. Alternative payment methods, such as Fee Assistance, are available. However, requests need to be submitted **prior** to registration. [Learn more.](#)

You will receive a confirmation email with details including the schedule and exception dates. Exception dates can also be viewed in the registration system in your profile under **Schedules**.

To withdraw from a program entirely, please visit your **CAN account**. If you are going to miss a session for any reason, please let us know by visiting canucksautism.ca/absence.

Families must purchase a **\$25 Family Experience Pass** to be able to sign up for family events. The \$25 pass provides 365 days of access for the whole family.

Don't have a CAN account yet? Learn more about signing up at canucksautism.ca/join.

PROGRAM FEES

We want to ensure that program fees do NOT create any financial barriers to participation.

In addition to credit card, fees may be processed through:

1. The CAN Fee Assistance Program

- The [Fee Assistance Form](#) must be completed **in advance** of registration for the program.
- A code will be provided to use for registration.

2. Autism Funding

Parents/guardians of participants' ages 6-18 can submit a Request to Pay form to Autism Funding for any **program fee that is over \$100**.

3. Additional Payment Options

We are open to processing program fee payments through additional routes, including bursaries.

For more information on payment options, including the methods listed above, please visit the [Policies & Payment Options](#) page of our website.

PARTICIPANT SUPPORT

Program Registration Questionnaire

Parents, caregivers and/or participants are invited to provide as much information as possible about support needs when registering.

This information is provided to CAN staff at the beginning of each program to ensure that support strategies are customized to meet the unique needs and level of independence of each participant.

Ongoing Collaboration

We also encourage parents, caregivers and/or participants to speak directly with staff at the program about ongoing support needs.

FAMILY EXPERIENCES (all ages)

Access unlimited family events for a year by purchasing a **Family Experience Pass** for a family rate of **\$25/year**.

Family Experiences are year-round activities that are open to the entire family, with all ages welcome. Activities may include: mini golf, visits to the farm, ice skating, holiday events and more!

We offer two types of Family Experiences:

1. Exclusive Family Experience

- ✓ CAN tents and signage on site
- ✓ CAN staff and volunteers onsite
- ✓ Facility is closed to the public
- ✓ Accommodations are made to ensure the event is more sensory friendly

2. Community Family Experience

- ⇒ Fewer CAN staff supporting the event
- ⇒ Venue is open to the public during the event

Family Experiences open for registration on the 15th of each month for the following month's events. I.e. If a Family Experience is taking place on February 15, registration will open on January 15.

Swim Levels Overview

Preschool Swim (3-5 years) participants work on entries into the water, buoyancy, bubbles, movement, floats, and front/back swim. Games and songs are incorporated into lessons to create a fun environment that encourages comfort in the water!

Prerequisite: No previous swim experience required. Participants with all levels of support needs are encouraged to register.

Swimmer 1 (6-12 years) focuses on swimming strokes, skills and building confidence. Participants will be introduced to skills adapted from the Lifesaving Society Swimmer 1 curriculum, including bubbles, floating, gliding, kicking, water entries and exits.

Prerequisite: No swim experience required. Intended for those working on the skills listed above.

Swimmer 2 will build on the foundational skills mastered in Lifesaving Society Swimmer 1, with a focus on kicking, front and back crawl, and Water Smart education. Participants will continue to work on swim endurance with a target distance of 10 meters. An introduction to deep water activities and life jackets will also be included.

Prerequisite: Participants must have successfully completed Swimmer 1 (or Red Cross Level 1) and/or can confidently and independently execute the associated skills.

Swimmer 3 will continue to expand on skills completed in Swimmer 2 with the addition of front/side glide with kicks and increasing front and back crawl distance to 15 meters. A lot of time is spent in deep water practicing jumps, dives, and deep water support.

Prerequisite: Participants must have passed Swimmer 2 (or Red Cross Level 2) and/or can confidently and Independently execute skills developed in Swimmer 2 (or Red Cross Level 2).

It is the parent/guardian's responsibility to register for the correct swim level.

If a participant has been registered into the wrong level, our ability to transfer them into the appropriate level once the season has started will be subject to availability.

If no space exists, the participant may have to be withdrawn from the program.
