## 1 Autism Funding

Parents/guardians of participants ages 6-18 can submit a Request to Pay form to Autism Funding for any program fee that is over \$100.

*Note: Summer camps are eligible!*

Please fill out our [AFU form](#) in advance of registration if you would like to use Autism Funding for an eligible program.

## 2 CAN Fee Assistance Program

# PARTICIPANT SUPPORT

## Program Registration Questionnaire

Parents, caregivers, and/or participants are encouraged to **provide as much information as possible about support needs when registering.**

This information is provided to CAN staff at the beginning of each program to ensure that support strategies are customized to meet the unique needs and level of independence of each participant.

## Ongoing Collaboration

We also encourage parents, caregivers, and/or participants to speak directly with program staff about ongoing support needs.

## Ratio of Support

**We are committed to providing participants with high-quality support.**

Our summer camps for children focus on group-based support and instruction.

*This is different from weekly swim & skate programs, where programs are staffed at a 1:1 ratio for safety reasons.*

Our summer youth & adult programs vary in levels of support. Our staff & volunteers seek to provide close support when necessary, while facilitating independence when possible.
